Track Systems

*When European craftsmanship, sleek design and quiet performance are a **must**.* AngBéjar offers a wide range of track systems to fit every need and use.

We offer tracks for:

- Drapery Systems
- Cubicle Curtains
- Roman Shades
- Sliding Panels

Our high quality aluminum profiles can be custom curved or bent to almost any shape, giving you the functionality and aesthetic you want.

Built from quality European materials, our best-selling **B9 series** offer unparalleled lubrication and smooth movement.

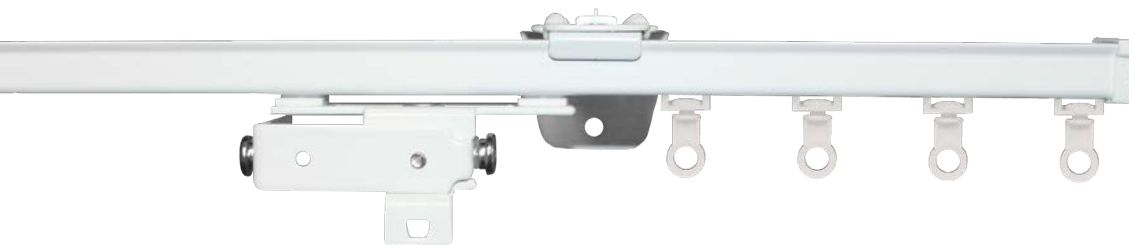

Our Motorized **M6 series** features a silent motor, touch control, and the slimmest track on the motorized market.

From baton draw series to motorization, custom cuts and assembly, you are sure to find tracks that compliment your budget and décor.

Decorative Rails

Embracing fashion and function. AngBéjar offers over 20 unique stains, lacquers, and metal finishes. From traditional to modern, craftsman to industrial, each finish comes from the highest European quality and local artisanship.

Our decorative brackets design works perfect for large windows and long spans. The brackets grab the rail from the top, which allows gliders unfettered access across the entire bottom rail of the track. We offer custom cuts and assembly to your specifications. Whether you need center draw, one-way draw, pinch pleat, or rippled fold, AngBéjar can do it. Some collections can also be custom bent or curved.

- Shop our best-selling H-Rail *Urban Collection*. Seven different finishes, plenty of finials to choose from and our unique double brackets for pinch pleat and ripplefold* projections.
- Best Rectangle Rail - The *Avalon Collection* offers 4 gorgeous finishes for a stylish look that can be baton and cord drawn.
- Our motorized *Berlin Collection* has even more motorization options and now with the BEXPRO can work with any smart system.

Other Products & Services

Get what you need, when you need it. In addition to our wide range of drapery hardware tracks, rails, and pole sets, we offer a great selection of regular batons, decorative batons, holdbacks, and tiebacks to complete your design.

- Batons – Available in a variety of styles and materials including fiberglass, acrylic, aluminum, wood, metal, and wrought iron. We also carry fiberglass and acrylic ADA batons.
- Holdbacks – Available in eight styles. Individually sold or in bulk.
- Tiebacks – Our line of Italian tiebacks uses magnets to hold the drapery. There is no need to drill holes in the walls. Our decorative magnetic tiebacks come in six styles and multiple color options.
- *Decorative Acrylic Batons* in 7 different finishes.
- Other workroom supplies are also available for purchase. No need to order in bulk. AngBéjar has you covered.
