## CONTACT US

We owe our continued success to the strong team we have working behind the scenes. From our team in China, to our home team in Addison, IL , to our sales force across the continent, every member is in a position where their special talents can shine.

While we are not a huge company, our group of approximately 40 individuals contribute to the success of HEC. The benefits of having such a small group allow us to work in a more intimate setting and the ability to offer a personable, hands on approach to every aspect of the company.

Should you need us, please feel free to contact us:
