THE HOWARD ELLIOTT COLLECTION

— SINCE 2001 —

The Howard Elliott Collection has been redefining the Home Decor industry with innovative designs of decorative mirrors, accessories, accent furniture, wall art, pillows and poufs since 2001.

President, Brian Berk, brought the concept of selling decorative mirrors to the home decor industry back in 2001. When told by his father, "It will never work", Brian knew he had to prove him wrong. 22 years later we celebrate 2 decades of "proving Dad wrong". Since the initial product introduction of 30 decorative mirrors back in 2001 to the over 4500 home accents in our current line, Howard Elliott has emerged as an industry leading resource for distinctive Decorative Mirrors, Decorative Accessories, Accent Furniture, Original Wall Art and Decorative Pillows. Reflecting back on the last 20+ years we pride ourselves on building an organization with an elite team and offering a diverse collection of home decor products.
